

Recycle, Repurpose, Rescue!!

Hollyfield Design Inc in Southern Pines would like your help in achieving all of these! We've teamed with local animal rescue groups* to ask for your donations of:

vases – all sizes, shapes, colors, unchipped;

baskets – in good usable condition;

decorative containers – ceramic, wood, silver, glass, pottery

If you've got a garage full or just a few, exchange them for cash donations towards animal care in Moore County. You get a tax donation, You help recycle and keep items out of the landfills, while our local animals get help towards the care they need. It's a win-win for everyone!!
